

Abelha Cachaca Silver

Tilgjengelig fra: mars 2020

Fra produsentens hjemmeside: "Abelha Silver is a full-flavored artisanal cachaça, with an intense, fruity, aromatic nose; fresh sugar cane and stone fruits on the palate; and a smooth dry finish. To create the distinctive character of Abelha Prata, we rest the cachaça for 6 months in open steel tanks, allowing the by-products to evaporate and oxidize, which gives the cachaça its signature bouquet. No sugar is added, and there are no impurities or toxins in the cachaça, resulting in fresh aromas when you open a bottle and pure flavors when you take a sip."
